What is an elevator speech?

A short speech that effectively describes:
- who you are
- what you do
- what you’re interested in
- how you can be a beneficial resource to your listener

for the purpose of capturing your listener’s attention & being considered for professional, academic, or other important opportunities.
About Professional Development & Student Support

What is Professional Development?

Workshops throughout the year provide opportunities to:

- Learn valuable skills
- Meet faculty & staff
- Meet and socialize with other graduate students

Graduate Student Research Expo

- Present or Volunteer

Travel Grants to present your research at academic conferences
